Headline	<u>Never let a design proposal go to waste again</u>
Intro/ Lead	<p>Tired of spending hours and hours preparing proposals only to not get the job?</p> <p>This is a common problem in the design industry, which is why we developed 'Pump your Proposal'. A coaching service engineered to help design firms like yourselves win more project proposals and more clients.</p> <p>Our coaches teach you how to create proposals that are not only quicker to produce, but can persuade companies to pay you the rates you deserve.</p>
Features /Benefits	<p>Save time and money making proposals- Every hour spent working can be billable. We help you develop plug and play proposal templates that will enable you to make proposals that are far more persuasive in no time. Making quality proposals faster means more clients and less need to worry about rejected proposals.</p> <p>Create proposals that are unique to you- We understand how important it is for your agency to stand out from the crowd. Which is why we help you create proposal templates that specifically appeal to past clients you've had and future clients that you want. The specificity in the proposals to your ideal client's needs will make you the 'go to' design agency in your industry.</p> <p>Get up and running as soon as possible- The more time you spend learning to make proposals, the less time you spend getting clients. Which is why we come to your business in person and provide the coaching and analysis in half a day. We believe this is the most efficient way to get you up and running. No waiting around for email replies or scheduling zoom. Face to face coaching allows us to give you all the tools you need to succeed that very day.</p> <p>We're with you every step of the way- We're committed to your long term success. Which is why we provide 6 months of support after our 1 day coaching, where you can send us proposals to review. By the end of that time period you would've mastered a style of proposals that would guarantee you more projects.</p>
Testimonial	<p>Our face to face method has been proven effective with our clients increasing their proposal win rate by 32% on average.</p> <p><i>"This program was the best money we've ever spent. The new proposal template we developed with the Mindwalk coach helped us win 5 new web design projects and a top price. We probably wouldn't have gotten those projects otherwise."</i></p>
