Intro/ Lead	<p>Are you tired of having an inconsistent flow of customers coming to your hairdressing business?</p> <p>With the Tisume scheduler platform we take all that stress off your hands. Not only do we help you attract new customers to your business, we help maintain that relationship and turn it into repeat business. So you can focus on the tasks you actually want to do, the hairdressing.</p>
Features /Benefits	<p><u>Your Digital Marketing Assistant-</u> Never have to worry about where or when your next customer will come from. Our platform delivers them to you.</p> <p><u>Customer retention on autopilot-</u> We teach you how to set up automated messages that encourage your customers to leave reviews and rebook with you on a regular basis. One less task you have to worry about.</p> <p><u>Never miss out even when fully booked-</u> Our waiting list feature keeps interested customers engaged even when you don't have the capacity to serve them. It will then automatically contact them when you are ready for new business.</p> <p><u>Dominate the platform as an early adopter-</u> By being one of the first businesses on our platform you can build a positive reputation on the platform, appear higher on customer searches and have a permanent advantage over businesses who join later on.</p> <p><u>Stand out from the competition with 'Try it on AI'-</u> Our cutting edge tool 'Try it on AI' allows your customers to preview hairstyles with AI images before their appointment. Providing you with excellent customer service and content for social media.</p>
Content block	Tisume will be available from September 2024 so this special offer won't be available for much longer. Fill in the form below and be amongst the first to get access to our exclusive customer base.
